OUR FOUNDERS & DIRECTORS

Nicolas
de BOER

Directeur Général

Nicolas began his career as a Shipping Manager at Bolloré Group. He funded Alma Shipping in 2011 to operate workboats in West Africa. Nicolas also runs Acta Marine operations in France & Africa.

Thibaut
CHOQUER

Président

Thibaut graduated from ENSTA-Paristech as Engineer & naval architect. He has worked as a consultant and, at CGG, as a Party Chief & Vessel Manager. In 2012, he created Kappa Offshore Solutions, a marine seismic data acquisition specialist.
